14 April 2018

Dear Grahame,

I just wanted to take this opportunity to thank you for a really wonderful weekend participating in the 2018 NSWGFA Junior Team, at the Kiama GFC Blowhole Classic, held on the 7th and 8th April out of Kiama.

When I arrived and met Grahame, Harry and Snappy and the other kids involved in the competition I felt immediately comfortable and knew I was going to have a great weekend.

It was a fantastic opportunity to be aboard Nemo and I appreciated Harry's time and effort.

The fishing was great and learning the techniques of skip baiting by Snappy was really helpful.

It was really exciting that we tagged and released a stubborn Striped Marlin at the end of days play on the Sunday.

A huge thanks again for the wonderful opportunity and I would highly recommend this experience to anyone else who has the chance to be involved.

Many Thanks
Jack
